PERMANENT SEO

YOUR LEARNING ROADMAP

LEVEL: BASIC ● ○ ○

Don't try to learn it all at once. **Go in this order:**

MONTH 1
Foundations
Funnels, SEO basics, social, content

MONTH 2
One core skill
Choose SEO or ads and go deep

MONTH 3
Practice
A real site, real campaigns, real reports

MONTH 4+
Earn
Apply for roles or land first clients

CHOOSE YOUR MAIN SKILL

SKILL	A GOOD FIT IF YOU...
SEO	Enjoy research, writing and long-term results
Google Ads / PPC	Like numbers, testing and quick feedback
Meta Ads	Like creatives, audiences and social
Social media	Enjoy content, trends and community

LEARN BROAD. MASTER ONE. THEN ADD MORE.

HOW TO MASTER IT

LEVEL: INTERMEDIATE ●●○

LEARN BY DOING

1. **Build your own site** (WordPress or a free builder) and do its SEO
2. **Run a tiny ad campaign** to learn a real ads dashboard
3. **Help a local business for free** in return for a testimonial
4. **Grow your own Instagram or LinkedIn** around marketing
5. **Track everything** in GA4 and Search Console and read the data
6. **Write down what worked**: that becomes your case study

10 HOURS DOING BEATS 100 HOURS WATCHING.

BUILD YOUR PORTFOLIO

LEVEL: INTERMEDIATE ● ● ○

Your **portfolio** is your evidence. Recruiters and clients trust work they can see, not claims.

WHAT TO PUT IN IT

- ☑ SEO audit report
- ☑ Before/after ranking screenshot
- ☑ Social media content samples
- ☑ 1–3 short case studies
- ☑ Keyword research sheet
- ☑ Ad campaign results
- ☑ Monthly performance report
- ☑ Client testimonials

CASE STUDY FORMAT **Problem** → what was wrong · **Action** → what you did · **Result** → the numbers (traffic, leads, rankings) · **Proof** → screenshots

WHERE TO SHOW IT A Google Drive folder, a Notion page, a simple website or your LinkedIn Featured section.
