PERMANENT SEO

GOOGLE SEARCH CONSOLE

FREE **BEST FOR:** everyone with a website

Google’s own tool that shows **how your site performs in Google Search**: clicks, rankings and errors. Install this first.

REPORT	WHAT IT TELLS YOU
Performance	Clicks, impressions, CTR & average position per keyword
Pages (indexing)	Which pages are indexed, and why others aren’t
URL Inspection	Check one page & request indexing
Sitemaps	Submit your XML sitemap
Core Web Vitals	Speed issues from real users
Links	Top linking sites & internal links

PRO TIP

Filter Performance by **position 11–20**. These “page 2” keywords are your fastest wins: improve those pages first.

GOOGLE ANALYTICS 4

FREE **BEST FOR:** tracking visitors & leads

Google Analytics 4 shows who visits your site, where they come from and what they do there.

WHAT TO CHECK

REPORT	USE IT FOR
Traffic acquisition	Organic vs paid vs social vs direct
Pages & screens	Your most visited pages
Key events	Leads, calls, form fills, purchases
Engagement rate	Are visitors actually interested?

SETUP CHECKLIST

- Install via Google tag or Tag Manager
- Link with Search Console
- Mark leads as key events
- Link with Google Ads

PRO TIP

Check referral traffic from **chatgpt.com** and **perplexity.ai** to see if AI tools send you visitors.

PAGESPEED INSIGHTS

FREE **BEST FOR:** site speed & Core Web Vitals

PageSpeed Insights tests any page on mobile and desktop and shows exactly what slows it down. **Lighthouse** in Chrome DevTools runs the same checks.

METRIC	GOOD SCORE	MEANS
LCP	≤ 2.5 sec	Main content loads fast
INP	≤ 200 ms	Page reacts quickly
CLS	≤ 0.1	Layout doesn't jump

FIELD DATA

- Real Chrome users
- What Google uses
- Needs enough traffic

LAB DATA

- Simulated test
- Great for debugging
- Score can vary per run

FAST SITE = HAPPIER USERS + BETTER RANKINGS.

KEYWORD PLANNER & TRENDS

FREE **BEST FOR:** keyword ideas & demand

GOOGLE KEYWORD PLANNER

- Inside Google Ads: free account, no need to run ads
- Find new keywords from a word or a website
- See search volume & bid estimates
- Accounts with little ad spend may see volume ranges

GOOGLE TRENDS

- Compare interest in 2–5 keywords over time
- Spot seasonal peaks (e.g. “gifts” before the holidays)
- Filter by country, region or city
- Find rising & breakout searches

USE THEM TOGETHER

Keyword Planner tells you **how many** people search. Trends tells you **when** and **where** they search more.

FREE TOOLS. REAL DATA. NO EXCUSES.
