WHAT GOES WRONG

A product page forced onto a broad search **ranks poorly and converts worse.**

BUILD THE MAP

Keyword → Intent → Page Type → URL.
One URL per intent.

1 Keyword	2 Intent	3 Page Type	4 URL
running shoes	Compare	Category	/running-shoes
nike pegasus 41 mens size 10	Buy	Product	/nike-pegasus-41
best running shoes for flat feet	Learn	Guide	/flat-feet-guide
running shoes black friday	Deals	Seasonal	/black-friday

One URL per intent. Never two pages chasing the same search.
