WHAT IS A TOPICAL MAP?

A plan of every topic, question and page your store needs **to be seen as the expert in its niche**

ENTITY	Espresso machines
TOPICS	Boiler type · Milk system · Price band
QUESTIONS	Single vs dual boiler? · Best under £500? · Is a steam wand worth it?
PAGES	Guide · Comparison · Collection · Product

Every topic, question and page **your store needs to be the expert.**

PERMANENT SEO

STEP 1 — DEFINE THE CENTRAL ENTITY

The one thing you sell. Example: **"espresso machines", not "coffee"**

CENTRAL ENTITY

ESPRESSO MACHINES

The one thing you sell

TOO BROAD

~~COFFEE~~

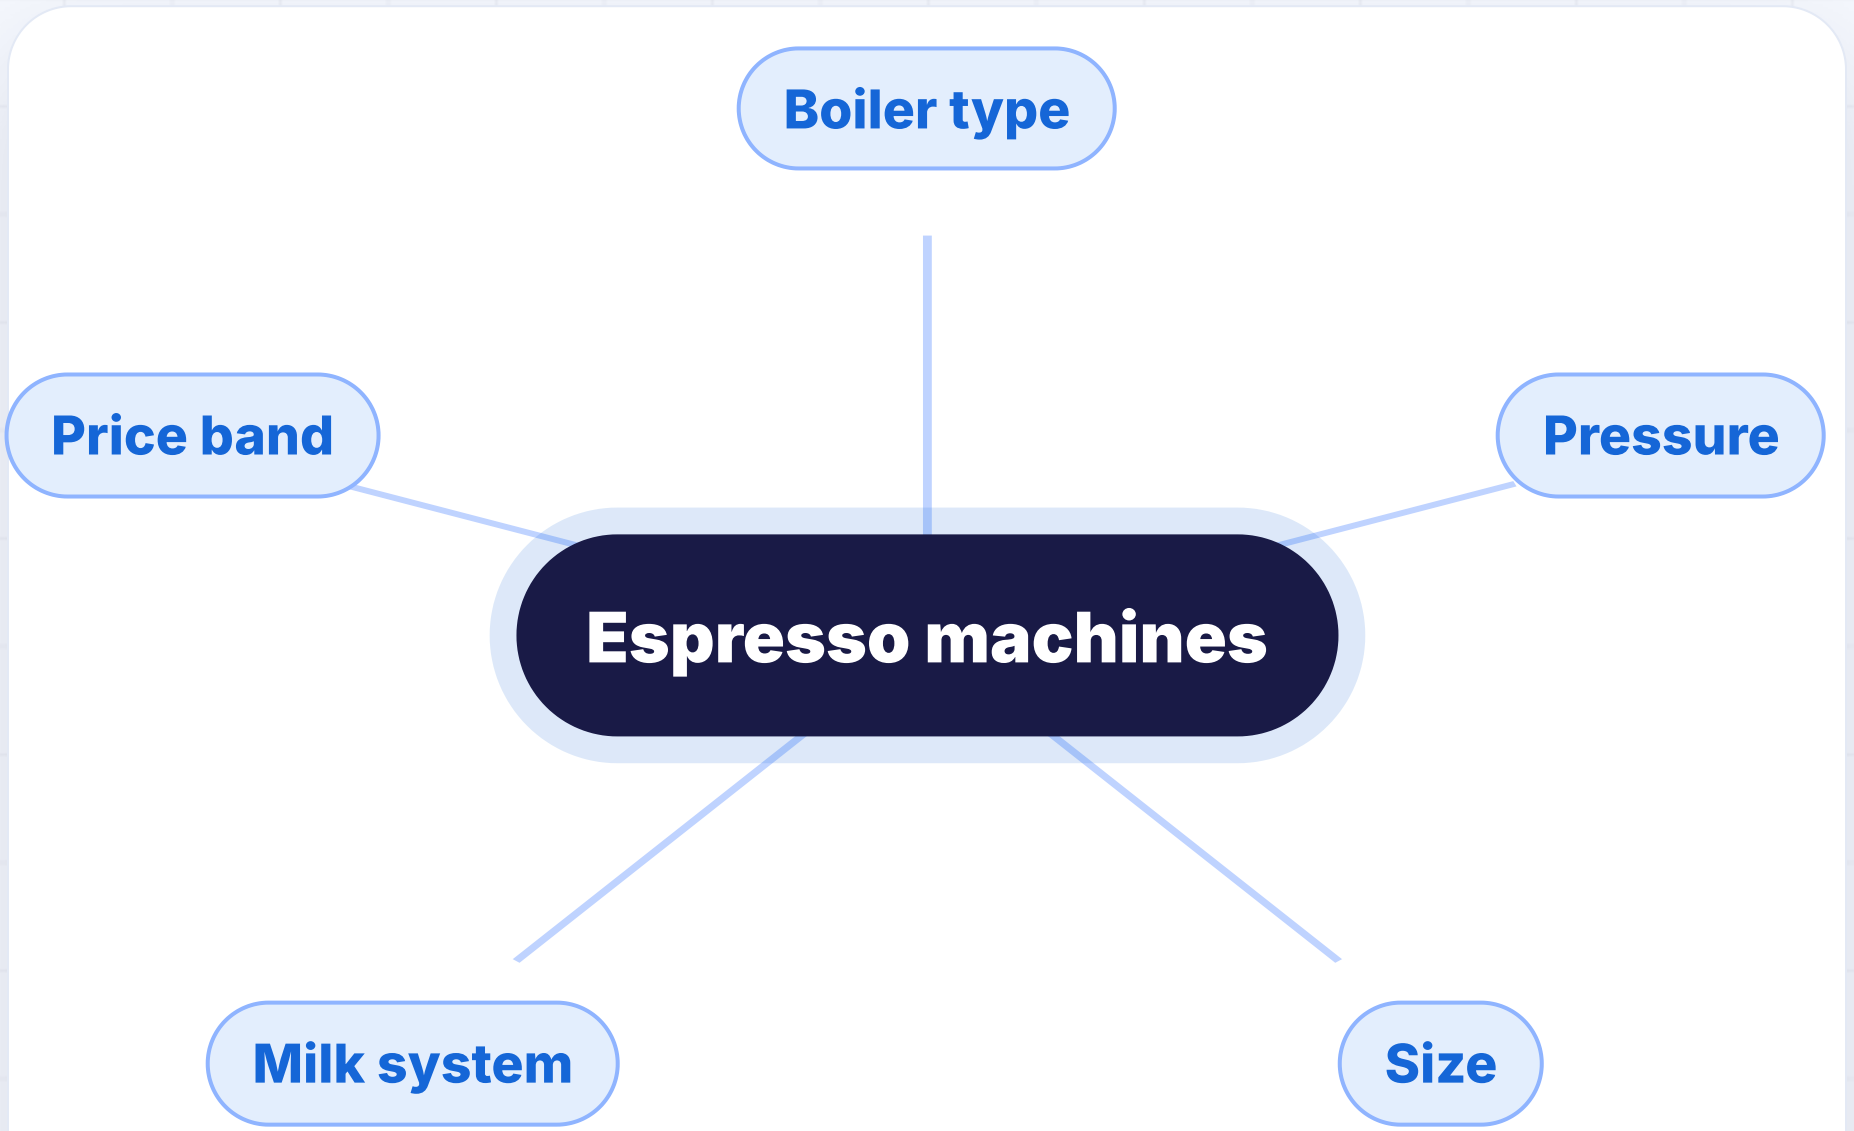

Beans, mugs, cafés, recipes...

STEP 2 — LIST THE ATTRIBUTES

Boiler type, pressure, size, milk system, price band. **These become your content angles**

These become **your content angles.**

STEP 3 — MAP THE QUESTIONS

For each attribute: how, which, best, vs, is it worth it. **Pull from Google PAA, GSC queries, customer support emails**

Question map

Attribute	Questions
Boiler type	Single vs dual boiler: which is best?
Pressure	How many bars do you need?
Milk system	Is a steam wand worth it?
Price band	Best espresso machine under £500

how · which · best · vs · is it worth it

PULL FROM **Google PAA** **GSC queries** **Support emails**

STEP 4 — SORT BY INTENT

Informational → guide. Commercial → comparison / best-for. **Transactional → collection or product page**

INFORMATIONAL	COMMERCIAL	TRANSACTIONAL
“how does a dual boiler work”	*“best espresso machine under £500”*	*“dual boiler espresso machine”*
↓	↓	↓
Guide	**Comparison / best-for**	**Collection or product page**

STEP 5 — BUILD CLUSTERS

One pillar guide per core topic, **5–12 supporting articles beneath it**

PILLAR GUIDE

Espresso machine boilers: the complete guide

- Single vs dual boiler
- Heat exchanger explained
- Thermoblock vs boiler
- Boiler descaling
- Warm-up times
- Steam power

5–12 supporting articles
